

HUDSON FILE SAFE TRUST

3/15/05

Dear Faurie,

as per our recent shore conversation, I am writing this letter as a personal recommendation of Itai shookane done 3 up Airation. I have known Itai professionally for well over seven years. He has owned and operated a Jet Kanger helicopter for her personal business until recently. He has been a stellar customer and pilot aperating with the utmost professionalism. He has a perfect helicopter waterly record and his payment history is exemplary.

The recently purchased a second Jet Ranger and established a helicopter charter and established a helicopter interest and tour aperation out of
